Helpful Hints

Oil type used 5W 40 Mobil Porsche Approved

The Dash Oil Level Indicator segments represent 0.4 of Litre on Top Up

Always make sure the car is on level ground and engine is running and up to normal operating temperature.

When brake wear indicator first comes on means you still have 1000 to 1500 miles left dependent on driving style.

Engine management light on - **please ring for advice before driving further**
